Dave, Tom Tracer said would you get with Mark on these luncheons/Dinners that are coming up & submit possible attendees as I've noted on each one. Tom wants to meet with Maguire this evening or tomorrow on this & see who is going & if he intends to go to any of them. Tom said ~~he~~ JVM may want to attend some of these along with you. I will let Tom know if your schedule permits that you could attend any of them.
